Support Candid as a GuideStar Partner

GuideStar and Foundation Center have joined forces to become Candid, a nonprofit organization dedicated to connecting people who want to change the world to the resources they need to do it.

The GuideStar Partnership is a membership program open to all foundations and corporate giving programs designed to provide funders access to Nonprofit Profiles on guidestar.org while receiving the essential support we need to grow the Nonprofit Profile program.

By providing a contribution to support our work beyond the purchase of products, Partners enable us to improve and expand the data collected through guidestar.org. As a nonprofit, the support we receive helps us meet our mission and achieve greater transparency across the nonprofit sector.

Your GuideStar Partnership helps the nonprofit sector by:

— Providing free access to the largest database of nonprofit information for millions of users (99.9% of visitors use guidestar.org for free).
— Enabling nonprofits to freely communicate the difference they are making.
— Generating focus on organizational results and progress—moving beyond overhead ratios—through our Seals of Transparency.
— Creating new functionality and tools within guidestar.org to increase grantmaking effectiveness.

Your GuideStar Partnership helps you:

— Bring greater efficiency and effectiveness to your grantmaking.
— Explore the nonprofits doing the best work in the causes and communities you care about.
— Find information on program results, finances, staff, and more.
— Streamline the application process by auto-populating forms and reports.
— Simplify due-diligence and verify nonprofits’ tax-exempt status.
— Analyze and compare financials of individual nonprofits year-over-year or within a cohort.
— Gain exclusive access to hands-on training of GuideStar products and services tailored to your team’s specific needs.

What our GuideStar Partners are saying

“Through our Partnership, GuideStar allows us to access pertinent information and verify from the beginning. By helping reduce our paperwork, GuideStar has helped our grantmaking grow.”
—The Harry and Jeanette Weinberg Foundation

“GuideStar listens to the field about its needs and develops tools that make the ‘how’ of grantmaking more focused.”
—The California Endowment

Every year, millions of nonprofits spend trillions of dollars around the world. Candid finds out where that money comes from, where it goes, and why it matters. Through research, collaboration, and training, Candid connects people who want to change the world to the resources they need to do it. Candid’s data tools on nonprofits, foundations, and grants are the most comprehensive in the world. Foundation Center and GuideStar joined forces in February of 2019 to become Candid, a 501(c)(3) nonprofit organization. Find out more at candid.org.
